5'11 combination guard that plays with an infectious energy and bounce. Not a true point man, but he can score. Three-pointers, step backs and pull ups are all to his liking. Not a standstill shooter. Incredible lift on his shot. Deep range without altering his jump shot mechanics. Streaky and rhythm based gunner. Prefers to drive left using a change of pace dribble. Lynn's offensive style of play is more freelance in nature, and better suited for an uptempo system. Very strong two-footed leaper, putting on a vertical show in warmups. Extremely acrobatic as well. His energy is great, but a bit chaotic at times without purpose. Left his man (a shooter) to give unnecessary help on multiple occasions. His shot selection is questionable at best, attempting a large number of high degree of difficulty, off balance shots. Needs to stay with his shot and eliminate the fade back.

He reminds Adam of:

Earl Watson (Utah Jazz)
