Scouting Report from 2010 Baltimore Showcase:

Swann is a fearsome scorer that can erupt at any time, from anywhere. Absolutely lethal three point gunner. Tremendous range on his jumper with smooth lefty delivery. Uses his lower body as an anchor and gets great elevation on his shot. Has matured leaps and bounds as a player since his collegiate days. Struggled in the past to play within himself because of his exceptional talent level. At peace with his role now, playing under control, limiting turnovers and capable of running a team. Unselfish playmaker. Lost some explosion following knee surgery (torn ACL) in 2008, but still electrifying. In your face, pressure defender-- FSU style. Cat quick reflexes and natural basketball instincts.

He reminds Adam of: ***Brandon Armstrong (Pepperdine 01', NJ Nets 01'-04')***
